Vision

To make the world a better place for man, animal and all living beings by providing services that conserve and enhance nature, environment and the planet.

Mission Statement

The mission of **GreenCert** is -

- To become a leading, trusted, respected, preferred, certifying agency globally, offering reliable, accurate, and timely services.
- To offer certification services to the smallest of farmers as well as biggest of manufacturer in a consistent, non-discriminatory way.
- To make the inspection and certification process simple and adaptable to the local conditions while adhering to all relevant standards.
- Providing satisfaction to the registered operators by being efficient, impartial, objective, independent, transparent, professional and confidential while keeping consistency in carrying out the service.
- To make the **GreenCert** brand a well-respected one globally.

Values

- Integrity * Learn
- Honesty * Lead
- Respect * Live

Quality Policy

GreenCert will consistently provide services that meet the requirements and expectations of the operator. We will actively pursue ever-improving quality through programs that enable each employee to do their job right the first time and every time.
